

# Minecraft Hour of Code

During 12 new levels, players will learn to use loops and conditionals. By learning these basic coding concepts, players will design their own solutions to puzzles.

Ages 10+

## SAFETY MOMENT

Internet Messaging

Do not chat with strangers.

Don't open an email or message from someone you don't know.

Don't post or respond to hurtful, insulting or bullying messages.

Never agree to get together with someone you've only met online.

## You'll need:

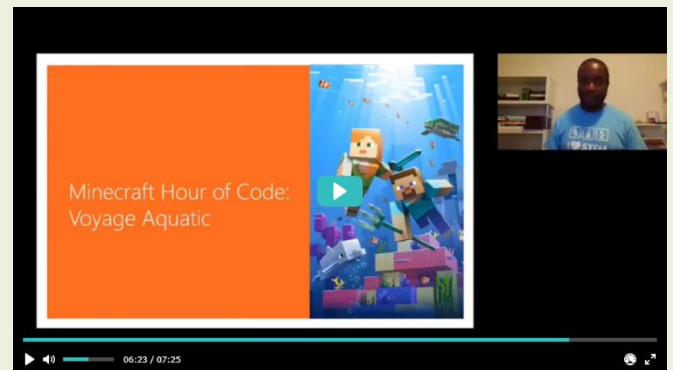

Computer 

Internet 

Headphones  
(recommended) 

## STEP 1

Go to <https://safeYouTube.net/w/BARM> or scan the QR code with your camera's phone to watch the Introduction video.

## STEP 2

Let's code! Go to <https://code.org/minecraft>.

First complete Minecraft Voyage Aquatic but feel free to explore other worlds after that.

**Challenge!** Play using the more challenging path, where you rescue turtles along the way as you solve each puzzle.
